- Delivery & installation schedule

Office furniture transformation for West Midlands Police, Summerfield

Following the first successful refurbishment at West Midlands Police, Bilston, we were delighted to complete phase 2 at Summerfield police station in Birmingham.

Project overview:

- Approved ESPO 282 Office Furniture Framework suppliers.
- Phased refurbishment across the West Midlands with 8 scheduled installations starting in August through to December 2021.
- Complete project managed service including delivery and installation.

Product overview:

- Rectangular workstation desks with cable management, CPU Holders and desktop power and data modules. Finished in Stone Oak and Silver Frames.
- Ergonomic task chairs, custom designed for West Midlands Police with Ergo-density foam, an extended back-rest (beyond the seat), lumbar support, flexible adjustment mechanisms, and upholstered in Camira Xtreme Havana fabric.
- Locker storage tailor designed to West Midlands Police specification to house equipment safely. And Black metal side filers with locking facility.
- Tulip based round tables with wooden four-legged chairs with silver frames.
